

BFP Wholesale - Product Specifications

Please read the following statement that relates to Notice of Confidentiality and Limitation of Liability.

The information herein may be confidential and/or privileged and may not be copied or disclosed in any form to a third part without prior written permission. Freedom from patent restrictions should not be assumed.

This specification supercedes all previous copies. The information contained is given in the belief that it is accurate and reliable, however no warranty, either expressed or implied, is made. Users should always conduct tests to determine the suitability of the product(s) for their own specific requirements and use.

Should you require additional information to that covered in the specification, please contact alison.carnell@bfpwholesale.com

This specification has been generated electronically and is valid without signature.

I acknowledge that whilst every effort has been made to ensure that the details in this specification are correct, BFP Wholesale cannot accept liability for any errors, inaccuracies or omissions.
